

# OMG, I WANT THIS HOUSE: HOLLYWOOD HILLS (PHOTOS)

[MORE GALLERIES](#) ▼

Hidden in the Hollywood Hills, this family estate is just as glamorous as you'd expect from a home in Tinseltown. The interior, designed by Elizabeth Dinkel, is flush with vintage and modern pieces, and the outdoor areas boast luscious landscapes by Patricia Benner. This living room is a showplace for modern furniture, and floor-to-ceiling picture windows make it feel luxurious but still comfortable. Sit down and stay a while.

Why would you ever go inside? Soak up the sun, or the shade, on a pair of wood and metal loungers on the swimming-pool terrace, bordered by a field of lavender.
